

First International Workshop on Portals for Life Sciences

September 14 – 15, 2009
e-Science Institute, Edinburgh, UK

Sandra Gesing
(chair)
University of Tübingen
Germany
Jano van Hemert
(co-chair)
National e-Science Centre
University of Edinburgh
UK

Viktor Achter
Stuart Aitken
Roberto Barbera
Maurice Bouwhuis
Antti Hyvärinen
Ivan Janciak
Phil Jones
Joohyun Kim
Tamas Kiss
Jos Koetsier
Oliver Kohlbacher
Miklos Kozlovsky
Tomasz Kuczynski
Peter Kunszt
Luciano Milanese
Steffen Möller
Jarek Nabrzyski
Lars Packschies
Bengt Persson
Richard Sinnott
Gergely Sipos
Chen Wang
Eric Yen

PROGRAM COMMITTEE

PROGRAM

**Invited talks, contributed sessions, and
poster sessions**

TOPICS INCLUDE

- Management of biological high-throughput data
- Portal technologies and tools
- Automated data analysis
- Biological workflows
- Service composition and discovery
- Grid and cloud computing in the life sciences
- Web-based user interfaces
- Biological ontologies
- Integration of life sciences with e-infrastructures

INVITED SPEAKERS

Peter Brezany (University of Vienna, Austria)
Peter Kacsuk (MTA SZTAKI, Budapest, Hungary)
